

HAMPSTEAD SCHOOL

Learning together Achieving together

Dear parent/carer,

I am writing to ask for your support as our students continue working at their Key Stage 4 Summer examinations. Preparation for examinations is vital to maximise outcomes in their KS4 courses.

May Half-term Study School Programme

Tuesday 28 to Thursday 30 May 2024

Please see the attached timetable. If students are attending both sessions in a day, we advise they bring a snack for the break as there is no lunch service available.

Each morning session will run from **9:30am until 11:30am.**

Each afternoon session will run from **11:50am until 1:50pm.**

Sensible behaviour and conduct is expected at all times and failure to do so will result in students being asked to leave.

Saturday School

Please note, there are no normal Saturday School (1000-1200) interventions running during this break.

Subject Specific Exam Booster Sessions

With the ending of the normal Year 11 school timetable on Thursday 23 May after the English examination in the morning, students are no longer routinely expected to attend lessons when not in an examination. We will run subject specific exam booster sessions for subjects that still have examinations in the next half-term. Information detailing on what days these take place will be sent to you in due course so students are aware of the support still on offer in school.

I would like to thank you for your continuing support and encourage your child to take full advantage of this opportunity.

Yours faithfully

Dr Adam Hadley, Assistant Head
